# What better place to charter a solar-powered catamaran than the Mediterranean?

Renowned for its exceptional diving, ancient towns, stunning coastlines and the best cuisine you can imagine, the Mediterranean Sea is undeniably one of the world's most coveted yacht charter destinations. **Silent Grace offers you the opportunity to charter a climate-smart yacht designed to take you on an unforgettable journey, combining sustainability with unparalleled comfort.**

Imagine gliding along the sun-kissed shores of the French and Italian Riviera, discovering the hidden beaches of Corsica and Sardinia, or immersing yourself in the timeless beauty of Tuscany's islands. With a draft of just 1.26 metres, Silent Grace can easily navigate into shallow waters, remote coves, and coastal areas – granting you access to secluded destinations that most yachts cannot reach.

A white solar-powered catamaran, Silent Grace, is shown from an aerial perspective, sailing on clear turquoise water. The boat has two decks, both covered with solar panels. It is positioned near a small, lush green island with a rocky shoreline. In the background, more islands and a clear blue sky are visible.

Craving something even more extraordinary?

Let Silent Grace take you further, to the iconic Gulf of Naples, the dramatic cliffs of Capri, or the captivating Aeolian Islands.

## Your Silent, Climate-Smart Yacht Charter in the Mediterranean

### Carbon-Neutral

A week-long cruise onboard Silent Grace, regardless of the nautical miles cruised per day, has a significantly reduced impact in terms of emissions compared to a traditional diesel yacht of the same size.

### Shallow Draft

With a draft of just 1.26 metres, Silent Grace can easily navigate into shallow waters, remote coves, and coastal areas – granting you access to secluded destinations that most yachts cannot reach.

## Crewed Yacht Charter

Silent Grace has a dedicated crew of three – **a captain, a chef, and a seafarer** – who will accompany you on an exclusive tour of your chosen destination in the Mediterranean.

The crew will prepare and **serve delicious cuisine while keeping your cabins spotless**, ensuring an exceptional all-around experience. Our captain is an experienced sailor with professional accreditations and certifications. **They will always prioritise your safety and comfort** throughout the journey and are responsible for navigation, mooring, monitoring weather forecasts, and plotting the route.

**The members of our crew are eager to share their extensive knowledge of the local destination with you during your crewed yacht charter.** From recommending the best sunset views to suggesting secluded beach picnics, the finest snorkelling spots, and the best local dining gems, they will craft a custom-tailored vacation just for you.

# Perfect Your Experience

We are here to make your yachting escape genuinely unforgettable. From the moment you contact us via the inquiry form, an **expert charter specialist** will assist you with every aspect of booking and planning your cruise. Whether you need **private transfers, personalised excursions, exclusive reservations, or local recommendations**, we ensure a seamless experience tailored to your preferences.

Your charter manager's expertise ensures a perfectly tailored itinerary. By building a strong relationship with them, you gain **a dedicated resource** who understands your preferences and is always ready to suggest the best destinations, activities, and hidden gems suited to your needs.

## Book Early

Planning for special events like the **Monaco Grand Prix** or **Cannes Film Festival**? Secure your charter well in advance to guarantee availability and the best itinerary.

## Consider the Off-Season

If your dates are flexible, **consider exploring the Mediterranean during the shoulder season**. Late September and October offer idyllic weather, fewer crowds, and the chance to enjoy breathtaking locations at a slower pace.

## Leave Time to Unwind

While it's tempting to pack your itinerary with excursions and onboard activities, remember that **one of the advantages of the yachting experience**

**is embracing the laid-back lifestyle**

and slipping into a slower pace of life. Allow time to relax, take in the surroundings, and savour the luxury of quiet moments on the water.
